

Dear colleagues,

As a retired Professor Emeritus from the University of Clermont Auvergne (UCA, France), I am writing this letter of recommendation for Miss Xiaofan GUO.

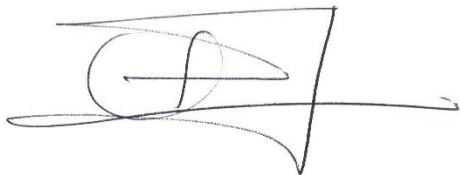

I have known Miss Xiaofan GUO as a resourceful and goal-oriented person since 2015, during which time she asked insightful and thought-provoking questions.

Miss Xiaofan Guo was an outstanding student and showed great potential. She was hardworking, easygoing, intelligent, and a team player.

She is very interested in telecommunication networks (5G, 5.5G, 6G) and AIoT.

I am convinced that Miss Xiaofan GUO possesses unusual talents and abilities and I fully support her in pursuing her doctoral studies.

Yours sincerely,
